How Psychiatric Drugs Really Work - Peter Breggin MD

Peter Roger Breggin is an American psychiatrist and critic of shock treatment and psychiatric medication. In his books, he advocates replacing psychiatry's use of drugs and electroconvulsive therapy with psychotherapy, education, empathy, love, and broader human services. Breggin is the author of many books critical of psychiatric medication, including Toxic Psychiatry, Talking Back to Prozac and Talking Back to Ritalin. His most recent book, Brain-Disabling Treatments in Psychiatry, discusses h
