Class Dynamics Of Agrarian Change

Henry Bernstein argues that class dynamics should be the starting point of any analysis of agrarian change. Providing an accessible introduction to agrarian political economy, he shows clearly how the argument for "bringing class back in" provides an alternative to inherited conceptions of the agrarian question.

Class Dynamics of Agrarian Change (Agrarian Change and ...

Agrarian political economy investigates the social relations of production and reproduction, property and power in agrarian formations, and how they change. Using Marx's theory of capitalism the book argues that class dynamics should be the starting point of any analysis of agrarian change. Drawing from the Journal of Agrarian Change, Henry Bernstein defines agrarian political economy as investigating “the social relations and dynamics of production and reproduction, property and power in agrarian formations and their processes of change, both historical and contemporary” (1). Bernstein is interested specifically in the class dynamics of these changes and processes, so he delves immediately into class differentiation in the countryside—mainly, among the rural poor.
