*Biology Exam - CLEP - The College Board*  
What is the CLEP Biology test? The Biology examination covers material that is usually taught in a one-year college general biology course. The subject matter tested covers the broad field of the biological sciences, organized into three major areas: molecular and cellular biology, organismal biology, and population biology.

*CLEP Biology Exam Practice Questions - Test Prep Review*  
Prior Knowledge: The basis of CLEP exams is to test the knowledge that you already possess, so a good way to choose the right CLEP exam for you is to look at the coursework you've already completed. If you've taken an advanced biology or chemistry class, taking a CLEP exam in one of those subjects makes sense.

*CLEP Biology Practice Test (Example Questions)*  
Free Practice Test, Recommended Study Tools; Getting ready for the Biology CLEP exam? Excellent! Here's a quick look to help you out. The exam has about 115 questions designed to cover a freshman single-semester course. When you think about Biology, what comes to mind first? Plants and animals? Well, organisms are going to be about a third of ...

Khan Academy Biology: Score Information Credit-Granting Score for Biology. ACE Recommended Score\*: 50

*Practice CLEP Biology Problems - Varsity Tutors*  
i hadn't taken biology since 9th grade either and I'm 30! The only thing I did have was my first semester in college (jan 2016) I took environmental biology, so I knew some population biology and ecology terms like alopatric speciation and darwins evolution but I barely even get any of those types of questions on my test, it was all cell biology for humans and plants, and human processes.

*BIOLOGY Sample CLEP Test - Finish College Fast*  
CLEP Biology Practice Test Now that you've graduated high school and entered college, your world is full of possibilities and academic challenges. However, you may be surprised to learn you'll have to take some of the same courses you took early on in high school, such as Rhetoric and Biology.

*CLEP Biology Sample Questions - The College Board*  
CLEP Biology Practice Test. The CLEP Biology exam allows students to gain college credit in biology without taking a class. The test contains 115 questions with a time limit of 90 minutes and includes pretest questions that will not be scored.
