Cold New World Growing Up

"Cold New World is a sustained and unflinching look into the lives of young Americans who live in poverty of varying kinds: economic, social, intellectual, spiritual. . . .

Cold New World: Growing Up in a Harder Country (Modern ...

COLD NEW WORLD is a collection of sociological writing by a journalist who visited a range of struggling American communities, and focused primarily on its young people. I could easily see this book being used in a college classroom, as even though the pop culture references are quite dated, the strife experienced by the young people has if anything only grown in our current era.

Cold New World: Growing Up in Harder Country by William ...

1. Cold New World is about kids, families, and communities "caught in social and economic downdrafts." The book cites evidence that the great American middle class has been shrinking since the 1970s, and offers various examples of a generation-long decline in economic opportunity for nonaffluent young people.

Cold New World Growing Up in a Harder Country. By WILLIAM FINNEGAN Random House. Read the Review. Beulah Morgan had lived in Newhallville, a working-class neighborhood of New Haven, Connecticut, since 1953. She moved there with her parents from Ansonia, a mill town a few miles west, because, she said, "black people couldn't buy a house in a ...

Cold New World

It's true that in the two decades between his article and his book, Finnegan, a New Yorker staff writer, has again been absorbed in the serious work of a global correspondent. He's the author of several books of reportage, including Cold New World, a book that reveals a growing American underclass. But Barbarian Days, like the article ...
