By Longus: Daphnis and Chloe, ca. 200 AD? (71 pp). The second highlight of the collection. Set on the island of Lesbos, it followed the growth of love between a shepherd boy and girl. With it, the author created the pastoral romance, merging the Greek romantic novel with elements of the pastoral poetry of Theocritus that idealized rustic simplicity.

Prose fiction, although not always associated with classical antiquity, did in fact flourish in the early Roman Empire, not only in realistic Latin novels but also and indeed principally in the Greek ideal romance of love and adventure to which they are related. Popular in the Renaissance, these stories have been less familiar in later centuries.

How did Ancient Greek express that an event occurred at a particular time, for a certain duration, or within a given time frame? The answer to these questions depends on a variety of conditions - the nature of the time noun, the tense and aspect of the verb, the particular historical period of Greek during which the author lived - that existing studies of the language do not take sufficiently ...

### **Expressions of Time in Ancient Greek by Coulter H. George**

Introduction. In the first century CE large-scale fictional works written in Greek prose began to appear, generally erotic and focusing upon invented figures and scenarios. The origins of what we have come to call the Greek novel or romance (the ancient world has given us no term for these texts) are murky.
