Communication in History: Technology, Culture, Society ...

With revised new readings, this anthology continues to be, as one reviewer wrote, "the only book in the sea of History of Mass Communication books that introduces readers to a more expansive, intellectually enlivening study of the relationship between human history and communication history".

[PDF] Download Communication in History: Technology ...

Technology is created through the influenced by a culture, and culture is also influenced by technology.

Technology and culture are interrelated variables that links with each other. Both influenced the other. Though technologies are made by humans, it is because of the influence of other cultures.

History of communication - Wikipedia

Around that time, long-distance communication had its humble beginnings as the Greeks, for the first time in recorded history, had a messenger pigeon deliver results of the first Olympiad in the year 776 BC. Another important communication milestone to come from the Greeks was the establishment of the first library in 530 BC.
