The newest Princeton Review GMAT book comes in two versions: Cracking the GMAT, 2017 Edition and Cracking the GMAT Premium, 2017 Edition. Both Princeton GMAT books are sparse on fundamentals and heavy on estimation and process of elimination (i.e. nifty test gimmicks). The premium version comes with six computer-adaptive practice tests and costs about \$7 more than the non-premium version on The Princeton Review's website. (There are less expensive options on Amazon.)
