Dance Anatomy : Jacqui Haas : 9781492545170

Disappointing. I had bought the Yoga Anatomy, which was beautiful, illuminating and useful. Illustrations are by a medical illustrator so also beautiful. Dance Anatomy is primitively illustrated, limited in body systems and actions it addresses with a not very useful or in-depth narrative. Wouldn't waste my money again.

Rather than focusing on dance injuries, this book takes a positive approach showing what a dancer can do to dance better, which, in turn, will decrease injury rates. It presents human anatomy and motion in a functional, dance-specific way that teaches the readers to appreciate and take ownership of their bodies through a tour of the musculoskeletal system and movement analysis.
