portive system for organizational learning process until the dimensions of learning organization questionnaire (DLOQ) came into being (Yang et al., 2004). For an instrument to be generalizable, it needs to be assessed in various cultural settings. There have been studies of the validation of the DLOQ in the

~~The Dimensions of a Learning Organization Questionnaire ...~~

The Learning Organization. According to Senge, the learning organization depends upon the mastery of five dimensions: Systems thinking: The notion of treating the organization as a complex system composed of smaller (often complex) systems. This requires an understanding of the whole, as well as the components, not unlike the way a doctor should understand the human body. Some of the key ...
