You can search Google Books for any  
book or topic. In this case, let's go with  
"Alice in Wonderland" since it's a well-  
known book, and there's probably a free  
eBook or two for this title. The original  
work is in the public domain, so most of  
the variations are just with formatting  
and the number of illustrations included  
in the work. However, you might also  
run into several copies for sale, as  
reformatting the print copy into an  
eBook still took some work. Some of
