The title is catchy and I often find myself saying to them "don't behave like you live in a cave" now. We read the first couple chapters together and parts of it were funny. I found it a bit repetitive in some parts and skipped over a bunch of it - but cute concept. Will continue to read it to my kids.

The book Don't Behave Like You Live In A Cave is actually a good helpful book about how to behave usually and how to follow rules. I am glad I chose this book to read because it can help me with future problems that I come across and I can know what to do if things get out of hand.
