The 620 is the perfect entry to the Monster family. Easy to maintain, it is the lightest and easiest handling Ducati. The motorcycle of choice for the official Ducati riding courses, the 620 offers a low seat height, a new slipper clutch for seamless shifting, a new, colour-matched front fairing, newly designed mirrors for increased visibility, and a comfortable, upright riding position.

Hello All - I've got a 2002 620 Dark, close to 16K miles. Had this bike for 15 years. Went out for a ride this afternoon and the bike suddenly died at a stop light when the light turned green and I shifted into 1st. The immobilizer light flashes but I get no cluster sweep/activity when the key turns to the ON position and no other signs of life.
