The fact that one becomes what one is, presupposes that one has not the remotest suspicion of what one is. From this standpoint even the blunders of one's life have their own meaning and value, the temporary deviations and aberrations, the moments of hesitation and of modesty, the earnestness wasted upon duties which lie outside the actual life-task.

### **Ecce Homo: How One Becomes What by Friedrich Nietzsche ...**

Ecce Homo: How One Becomes What One Is remains one of the most remarkable autobiographies ever written, a powerful work of genius in which the German philosopher critiques his own works (and those of others) and weighs in on a plethora of subjects, from mastering self-control to female sexuality. Seemingly trivial topics are interwoven into passages of complex reasoning on philosophical problems.
