Efficiency Justice And Care Philosophical

Efficiency, Justice and Care: Philosophical Reflections on Scarcity in Health Care (International Library of Ethics, Law, and the New Medicine (33)) Hardcover - March 21, 2007 by Yvonne Denier (Author)

Efficiency, Justice and Care: Philosophical Reflections on ...

This complexity can be represented as an inconsistent triad, a set of three propositions of which any two are compatible but which together form a contradiction. In the case of health care, the three rival values are: social efficiency, justice, and decent-quality care. It seems to be that we can have any two but not all three.

Efficiency, justice and care: Philosophical reflections on ...

This book attempts to answer the question how health care can be incorporated into a comprehensive theory of justice, while realising an acceptable balance between efficiency, justice and care. It seems to be that we can have any two but not all three. Essentially, the central question addressed by this book is the following: how best to square the proverbial welfare circle.

Efficiency Instead of Justice?: Searching for the ...

If it is a requirement of social justice, we should be clear about what kinds of care we owe people and how we determine what care is owed if we cannot possibly meet every health need, as arguably no society can. We should be clear about what constitutes appropriate access to that care, given that there are diverse barriers to access.

Essentially, the central question addressed by this book is the following: how best to square the proverbial welfare circle.

Efficiency, justice, and care : philosophical reflections ...

The principle of justice could be described as the moral obligation to act on the basis of fair adjudication between competing claims. As such, it is linked to fairness, entitlement and equality. In health care ethics, this can be subdivided into three categories: fair distribution of scarce resources (distributive justice), respect for people ...
