Encyclopedia of American Political Parties and Elections ...

The United States has two major national political parties, the Democratic Party and the Republican Party. Although the parties contest presidential elections every four years and have national party organizations, between elections they are often little more than loose alliances of state and local party organizations.

United States - Political parties - Encyclopedia Britannica

The United States Constitution is silent on the subject of political parties. The Founding Fathers did not originally intend for American politics to be partisan. In Federalist Papers No. 9 and No. 10, Alexander Hamilton and James Madison, respectively, wrote specifically about the dangers of domestic political factions. In addition, the first President of the United States, George Washington ...

Encyclopedia of American Political Parties and Elections ...

An essential resource for anyone interested in U.S. history and politics, this two-volume encyclopedia covers the major forces that have shaped American politics from the founding to today. Broad in scope, the book addresses both the traditional topics of political history—such as eras, institutions, political parties, presidents, and founding documents—and the wider subjects of current scholarship, including military, electoral, and economic events, as well as social movements, popular ...

The Princeton Encyclopedia of American Political History ...

In the United States, there has usually only been two main political parties. Since the 1860s, these two main parties have been the Republican Party and the Democratic Party. The Democratic Party has the most seats in the House of Representatives while the Republicans hold a majority in the Senate. The three largest parties aside from the two main political parties are the Libertarian Party, Green Party of the United States, and the Constitution Party in respective order. The United States has o
