ENCYCLOPEDIA OF WHITE POWER"The
demonization of the radical right ill
serves us when now, more than ever
before, it is vitally important to know all
we can about this esoteric milieu's
nature and potentialities by demonizing
the many, we cloak the few, and,
however unwittingly, fac

While I haven't gotten around to reading any of these works, I did take the time (and spent a considerable sum of money) to read this encyclopedia on the "White Power" movement. What is especially interesting about this collection of entries and essays is that actual movement members and associates were asked to contribute articles.
