that a study will encounter. I've created a 21 page study guide that will walk students through the test. This guide is not a simple read + answer type test, but rather a way to break down questions and learn testing vocabulary. I've had more success with raising scores through this guide than with regular workbook passages with questions.

While the writing questions on the STAAR® English II test rely somewhat on the content you learned in English I, there is also new content that was introduced in English II. This study guide will cover that, but you should also review our English I study guide to jog your memory of those previously-learned skills.
