List of English Research Paper Topics for All Students. Your ideal paper topic should be written as a thesis statement. The thesis statement should be between one and two sentences. Keep in mind that the title of your paper may not be the same as your thesis statement, but both should convey the purpose and focus of your research.

101 English Research Paper Topics, Questions and Ideas

Most research papers fall into one of three categories: analytical, expository, or argumentative. If you're presenting an analysis of information, then your paper is analytical. If you're writing to explain information, then your paper is expository. If you're arguing a conclusion, then it's argumentative or persuasive.

...

One of the most important steps in the process of writing a research paper for the English discipline is choosing an interesting, engaging topic. An instructor may offer students a range of topics from which to choose or allow students to choose their own areas of focus. If the teacher does provide a list of possible topics, students may respond by feeling either reassured or stifled by the narrowed topic choices.
