interpretive depth.

Five Parameters for Story Design - POV

Short fiction is an art form that differs from, say, telling a story at a dinner party, but it starts from the same seed: the story. So sit down and, in one sitting, write out the story. Don't worry if it sounds terrible or meandering - this is only your first draft.

How to write a captivating short story - The Writer Magazine

The introductory paragraph for the short story critique has 3 major elements: the background, your opinion on the work as a whole, and the thesis. The background includes all of the relevant information (especially who, what, when, where, and why) leading up to the thesis. The thesis includes the subject
