Deconstruction in literary studies. Deconstruction's reception was coloured by its intellectual predecessors, most notably structuralism and New Criticism. Beginning in France in the 1950s, the structuralist movement in anthropology analyzed various cultural phenomena as general systems of "signs" and attempted to develop "metalanguages" of terms and concepts in which the different ...

Deconstruction - Deconstruction in literary studies ...

Deconstruction is a poststructuralist theory, based largely but not exclusively on the writings of Derrida. It is in the first instance a philosophical theory and a theory directed towards the (re)reading of philosophical writings. Its impact on literature, mediated in North America largely through the influences of theorists at Yale University, is based.

Current Affairs are extremely important
from IAS Exam point of view, but Current
Affairs must be prepared Topic-
wise. Topic-wise preparation of current
affairs will provide you - a) better
perspective of the topic, b) better
understanding of the topic as well that
particular current news, and c) will be
more scoring as you will be able to write
holistic vision not just fragmented
knowledge.
