~~Final Fantasy VI is a game in the Final Fantasy series. At the time, three of the five preceding games in the series had not been released in the US, so it was released in the U.S. as Final Fantasy III. With the release of Final Fantasy Anthology it has been correctly renumbered as the sixth game for all regions.. One of the most notable and identifying elements within the game is the presence ...~~

~~While the Final Fantasy VIII guide was surprisingly good, the Final Fantasy VII and Final Fantasy IX guide were really bad. We're talking really bad. So of course when I saw the strategy guide collection--along with them advertising that the guides would be updated I merely thought it would be a chance to actually get the correct info.~~
