Financial Accounting vs. "Other" Accounting. Financial accounting represents just one sector in the field of business

# Bookmark File PDF Financial Accounting Saleemi Slibforme

accounting. Another sector, managerial accounting, is so named because it provides financial information to a company's management. This information is generally internal (not distributed outside of the company) and is primarily used by management to make decisions.

## **Financial Accounting | Explanation | AccountingCoach**

The accounting for a manufacturing business deals with inventory valuation and the cost of goods sold . These concepts are uncommon in other types of entities, or are handled at a more simplified level. The concepts are expanded upon as follows: Inventory valuation . A manufacturing business
