Leggere "Fra me e te" è stato un viaggio appassionante all'interno di quell'universo in continuo cambiamento che è l'adolescenza. Essa è spesso il periodo durante il quale ci si mette in discussione come individui e durante il quale si forma la personale identità di ciascuno. E' un processo non privo di dolori, attriti e fatica.

Explain to students that sometimes authors write books just to tell a story. Ask students to name a few of their favorite stories (e.g., Jack and the Beanstalk, Corduroy, Goldilocks and the Three Bears and so on). Then tell students that other times authors write books to tell us more about a topic or to give the reader more information.

### **Reading and Responding: The Five Senses | Lakeshore ...**

The Senses is a series of five oil paintings, completed c. 1624 or 1625 by Rembrandt, depicting the five senses. The whereabouts of one, representing the sense of taste, is unknown. Another, representing smell, was only re-identified in 2015. Rembrandt was only around eighteen years old when the paintings were made; they are his earliest surviving works, and are of identical size.
