Read Free Free Will The Mit Press Essential Knowledge Series

Right out of the gate I was a little taken aback. I believe the whole premise behind the MIT Press Essential Knowledge series is to present short summaries of different ideas or concepts, I believe somewhere they are referred to as jumping off points. This is why I was surprised to see Balaguer come out swinging in defense of free-will.

Free Will by Mark Balaguer - Goodreads

MIT Press began publishing journals in 1970 with the first volumes of Linguistic Inquiry and the Journal of Interdisciplinary History. Today we publish over 30 titles in the arts and humanities, social sciences, and science and technology.
