during their infectious period and has close contact with others. If this happens, work with local public health officials to determine next steps.

Enrollment Is Dropping In Public Schools Around the Country

Public school definition, (in the U.S.) a school that is maintained at public expense for the education of the children of a community or district and that constitutes a part of a system of free public education commonly including primary and secondary schools. See more.

Outdoor learning: another option for public schools ...

The culture of the public school classroom is so different from the way kids learn at home. In fact, I've found that even my co-op classes were more like my grad school seminar classes than they were similar to public school classes—much more of a “let's learn this together” than a “sage on the stage”
