## **Gender, Sexuality, Decolonization: The Invisible South ...**

The construction and performance of gender and gender relations has been paramount to the process of Decolonization. Gender has permeated the discourses and enactments of colonization and is an inseparable part of the casting of subjectivity through the colonality of power. The notions of femininity and masculinity are themselves colonial constructs that have pressed more complex notions of gender, sexuality, and desire into a binary.

### **What is decolonization and why does it matter?**

This has to end. Indigenous or not, all of  
our movements require decolonization  
and Indigenization in order to be  
successful. Feminist movements, for  
instance, must first recognize that rape  
culture and gender inequality are deeply  
rooted in colonization before we can  
dismantle them.

### **Gender and Decolonization in the Congo : K. Bower ...**

Through analysis of Lumumba's writings  
and speeches, the life stories of women  
activists, and literary and cinematic  
works, *Gender and Decolonization in the  
Congo: The Legacy of Patrice Lumumba*  
challenges male-centered  
interpretations of Congolese nationalism  
and illustrates how generic conventions  
both reinforced and undercut gender  
bias in representations of Lumumba and  
his female contemporaries.
