that his father, George Washington Eastman, established Eastman's Commercial College in Rochester.

George Eastman: Biography, Inventions & Photography ...

This graphic novel was a rather short but beautifully illustrated and detailed graphic novel telling the story of Kodak founder George Eastman's first camera invention. As a big fan of traditional film myself, Eastman is my favorite inventor and so it was really great to read a graphic novel about the first product that the Kodak corporation sold.

George Eastman - Wikipedia

The first successful roll-film hand camera, the Kodak, was launched publicly in the summer of 1888. Inventor George Eastman received a patent (number 388,850) for the camera's shutter and the trademark (number 15,825) for the Kodak name on September 4, 1888. The immediate triumph of the camera prompted
