Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Yes I am surprised it is so popular. Sweet Valley Twins was fab, and so was Sweet Valley High, and now both are finished for boring, boring series that I never buy. Jr high and especially SR high are a major disappointment, and I would suggest reading Sweet Valley Twins instead of this yawnsome rot.
