Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

## Gliding The British Gliding Association

The British Gliding Association is the governing body for the sport of gliding in the UK. We represent and provide services to some 8500 UK glider pilots.

## Welcome to the British Gliding Association

The British Gliding Association is the governing body for the sport of gliding in the UK. Our members are the 80 clubs that provide gliding facilities for their members - clubs that are spread throughout the UK from the north of Scotland to the SW tip of England and which range from small, member-run clubs through to some of the largest gliding clubs in the world.
