GM Overdrive Transmission Builder's & Swapper's Guide ...

In this book, expert mechanic and drag racer Cliff Ruggles demystifies the popular GM 700-R4 and 4L60 automatic transmissions. Keeping the enthusiast in mind, Ruggles explains the history of these transmissions, presents critical identification guidelines, and leads the reader through the complete disassembly, repair and upgrade, and assembly processes.

GM Automatic Overdrive Transmission Builder's and Swapper ...

Overall, the book feels dated, as though the electronically controlled overdrive transmissions were added in later as an afterthought, and not a very serious one at that. It's fairly useless as trans swap/upgrade instructions, but a decent overview of what makes an automatic transmission tick and some of the differences between GM transmissions.

GM Electronic Overdrive Transmissions - Performance Automatic
