### **Customer Reviews for Hacking Linux Exposed, First Edition.**

This is a general comment regarding Hacking Exposed series. I owned Hacking Exposed (first edition) and then I moved to the more specific Hacking Exposed books, so now I've got Hacking Linux Exposed, Hacking Windows 2000 Exposed and hacking web Applications exposed. All those books absolutely worth it, do not hesitate to buy any of them.

### **Hacking Exposed Computer Forensics, Second Edition ...**

The first edition of hacking linux exposed was groundbreaking - finally you got to see under the hood exactly what the hackers could do to you, and what you needed to do to keep them out. In the second edition they've added tons of new material and examples.
