Healthcare in Malaysia - Wikipedia
Association of Private Hospitals of Malaysia (APHM) president Datuk Dr. Jacob Thomas agreed with Kumm's suggestion for insurance companies to include mental health in their policies. Dr. Jacob said that the WHO defined health in a broader sense as "a state of complete, physical, mental, and social well-being and not merely the absence of disease or infirmity."

Health imperatives in foreign policy: the case of Malaysia
Bulletin of the World Health Organization | March 2007, 85 (3) 225 Abstract
Malaysia's global, regional and bilateral international health relations are surveyed against the historical backdrop of the country's foreign policy. Malaysia has always participated in multilateral agencies, most notably the World Health Organization, as

Health Policy In Malaysia Three
Healthcare in Malaysia is mainly under the Ministry of Health. Malaysia generally has an efficient and widespread system of health care, operating a two-tier health care system consisting of both a government base universal healthcare system and a co-existing private healthcare system. Infant mortality rate – a standard in determining the overall efficiency of healthcare – in 2005 was 10

Goal 3: Good health and well-being - UNDP in Malaysia

Public healthcare is paid by Malaysian citizens through general taxation of income. This public universal healthcare is accessible to all legal residents of Malaysia, funded by the government, to provide low-cost universal and comprehensive services. 2 In recent years, the government has taken the initiative to increase funding for the healthcare sector to compensate for a large ageing ...
