Heroes of Pharmacy: Professional Leadership in Times of ...

Unless pharmacy students have considered the possibility of being called on to lead, they may not seek to develop the necessary skills to be successful in a leadership role. However, learning about leadership is important, as highly trained pharmacists are targets for leadership roles in which

Leadership Essentials for Pharmacists

Founders of the American Pharmaceutical Association --George Francis Archambault: pharmacy's change agent --James Hartley Beal: educator & statesman --Donald Crum Brodie: pharmacy theoretician --Chauncey I. Cooper: champion of minority pharmacists --Zada Mary Cooper: advocate of women in pharmacy --Andrew Craigie: America's first apothecary general --Lewis Diehl: APHA's reporter on the progress of pharmacy --H.A.B. Dunning: pharmacy philanthropist and father of the APHA Foundation --Carl T ...

Heroes of pharmacy : professional leadership in times of ...

Most pharmacy schools do not teach pharmacists how to become leaders. There is a big difference between holding a leadership position in the pharmacy setting and actually being a leader. In the past 15 years, I have found that leadership is a rare quality in our profession, mostly because we learn from other pharmacy managers who were not ...

Pharmacists as Leaders - Pharmacy Times

Heroes of Pharmacy: Professional Leadership in Times of Change, 2nd Edition presents the highlights of the professional lives of 52 American pharmacists (and the 20 founders of the American Pharmaceutical Association) who helped change the way we use medicines, not only in the United States, but worldwide. They also changed the profession of pharmacy.

Heroes of Pharmacy : Professional Leadership in Times of ...

Leyla Hannbeck, chief pharmacist at the National Pharmacy Association, says talking to audiences at face-to-face events has improved her leadership skills “I was conscious that I was often one of the youngest in the room when I started going to meetings with senior, more experienced people but you learn and learn and then improve,” she says.

Practical ways pharmacists can gain leadership skills ...

Pharmacy technicians work alongside pharmacists and other health care professionals on a daily basis and are often the first to interact with patients. Therefore, leadership roles are increasing for pharmacy technicians within many pharmacy teams: 30% of Our Voice study respondents supervise other staff members and 16% manage a department.

Pharmacy Technician Leadership

As the role of pharmacy technicians continues to expand, techs must position themselves as leaders to advance their performance, ensure professional development, and provide patient-centered care. Today, pharmacy technicians are going beyond national certification, registration, and the licenses required by their states.

5 Leadership Lessons for Pharmacy Technicians

Pharmacists in leadership roles need a solid foundation in clinical pharmacy and the clinical aspects of patient care, especially given the innovation of medications and emerging drug therapies. The number of medical personnel that are taking on executive, management and leadership roles at their respective healthcare facilities/systems is ...

Women in Pharmacy Leadership: Importance of Leaders with ...

Leadership skills may not be a priority in the to-do-list of many young pharmacists unless they are called on to lead under exceptional circumstances. Nonetheless, the idea of learning about leadership should not be limited to those who see themselves as future leaders, but for all members of the profession.
