### History of theology—Wikipedia

A helpful overview of historical theology. The book is divided into four sections: the Patristic (16-76), the Middle Ages and Renaissance (77-123), Reformation and Post-Reformation (124-181), and Modern Period (182-168). McGrath does an outstanding job connecting the development of ideas, especially his expertise on justification.

### What is historical theology? | GotQuestions.org

Historical theology is the study of the history of Christian doctrine. Grenz , Guretzki and Nordling describe it as, "The division of the theological discipline that seeks to understand and delineate how the church interpreted Scripture and developed doctrine throughout its history, from the time of the apostles to the present day.

## Read Online Historical Theology

Historical theology is the discipline that studies the interpretation of Scripture and the theological formulation of the church in the past. In other words, it asks: how has the church in the past interpreted the Bible? How has the church formulated and expressed its theology? So, think of historical theology as wisdom from the past.
