The Paris Commune began on March 18, 1871 when very ordinary people, above all women, in Montmartre, on the edge of Paris, led an armed uprising against the war ministry. Meanwhile, in 1861, a struggle between the Paris National Guard and the National Assembly had ended in the summary dissolution of the Assembly. The war ministry, still full of National Guard soldiers, decided to understand the idea that made up the Paris National Guard: to defend the Commune, and not the monarchy, which was represented by the king, Louis Napoleon.

The Paris National Guard was the urban sector of the national government and now the government of the Paris Commune. The Paris National Guard was the navy of the Paris Commune of 1871, which was inspired by the model of the National Guard of the French revolution. The Commune was the government of the workers of Paris from March 18 to May 28, 1871, at the height of the international social movement that was sweeping Europe.

Well, the Paris Commune began on March 18, 1871 when very ordinary people, above all women, in Montmartre, on the edge of Paris, led an armed uprising against the war ministry. Meanwhile, in 1861, a struggle between the Paris National Guard and the National Assembly had ended in the summary dissolution of the Assembly. The war ministry, still full of National Guard soldiers, decided to understand the idea that made up the Paris National Guard: to defend the Commune, and not the monarchy, which was represented by the king, Louis Napoleon. In the May 21 and the assembly resisted against Paris. The Paris Commune is a revolutionary political experiment of the Freedom of the People in France. In the summer of 1792, essentially refusing to take orders from the central French government.

The Paris Commune during the French Revolution was the government of Paris from 1789 until 1795. Established in the Hôtel de Ville (the city hall), the Commune was the first time in history that the people of a city ruled their city as a republic. The Commune was created in the summer of 1792, essentially refusing to take orders from the central French government. The National Assembly, which was elected in February 1793, took control of the Commune.

The Paris Commune was a radical socialist and revolutionary government that rose to power on March 18, 1871. The Commune governed for two months, until it was expelled by the regular French army during the June Days revolt. The Bloody Week, happening on June 28, 1871, The Paris Commune: Overview
