### **History of Western Political Thought/Political Theory I ...**

Western political philosophy from the start of the 20th century Nineteenth-century European civilization had been the first to dominate and pervade the whole world and to create a new self-sustaining productivity in which all eventually might share. But, as Saint-Simon had pointed out, this civilization had a fatal flaw.

### **Political philosophy - Western political philosophy from ...**

The discussion of leadership in Western political philosophy has been marked by a durable tension between the expertise and creative possibilities of leadership, on the one hand, and the dangers of leadership, the need to control the exercise of power, on the other. A parallel tension is expressed in the stark contrast between a ruler doing whatever he thinks he needs to do to retain his power ...

### **Western Political Thought - Oxford Handbooks**

Aristotle defined political science as "the study of the state". Western political thought has served as a philosophical and ideological foundation for governments around the world, including the United States. We give you historical, social, and cultural context to relate to contemporary political society. First, read the course syllabus.

### **POLSC201: Introduction to Western Political Thought ...**

The history of political thought dates back to antiquity while the history of the world and thus the history of political thinking by man stretches up through the Medieval period and the Renaissance. In the Age of Enlightenment, political entities expanded from basic systems of self-governance and monarchy to the complex democratic and communist systems that exist of the Industrialized and the Modern Era. In parallel, political systems have expanded from vaguely defined frontier-type boundaries,

### **History of Western Political Thought: A Thematic ...**

Plato appears to have been the founder of Western political philosophy, with his Republic, and Laws among other dialogues, providing some of the earliest extant treatments of political questions from a philosophical perspective. Plato's own most decisive philosophical influences are usually thought to have been Socrates, Parmenides, Heraclitus and Pythagoras, although few of his predecessors' works remain extant and much of what we know about these figures today derives from Plato himself.
