Steel World is the first book of the Undying Mercenaries series. I, James McGill, was born in 2099 on the fringe of the galaxy. When Hegemony Financial denied my loan applications, I was kicked out of the university and I turned to the stars. My first campaign involved the invasion of a mineral-rich planet called Cancri-9, better known as Steel World. The

Mercenaries #6)

Initially published in 2013 on the 21st of September, this would be the first book in the soon to be much loved 'Undying Mercenaries' series of novels.

Establishing many of the core ideas of the series, it really manages to set the scene, whilst also creating the world that it will take place within.
