Homeopathy: What You Need to Know - WebMD

Online Library Homoeopathic Treatment Of Small Animals

Homeopathic medicines - known as remedies - are made from substances designed to help stimulate the body's healing ability. Remedies are prepared - or "potentised" - using a process of repeated dilution and succussion (vigorous shaking). What does homeopathic treatment involve? Homeopaths work in a similar way to conventional doctors.

About homeopathy

Homeopathy UK was founded in 1902 as the British Homeopathic Association. We are the United Kingdom's leading homeopathic charity committed to the promotion and practice of homeopathy

Charity bringing information & high-quality homeopathy to all

A commercial homeopathic remedy and a placebo were administered orally as individual agents to 18 dogs with atopic dermatitis. The pruritus was reduced by less than 50% in only 2/18 dogs; 1 of these dogs was receiving the homeopathic remedy, the other was receiving the placebo. One dog vomited after administration of the homeopathic remedy.
