If you already know what you are looking for, search the database by author name, title, language, or subjects. You can also check out the top 100 list to see what other people have been downloading.

### How To Have Creative Ideas

When you get an idea, try putting it down quickly in your note/sketchbook. You can always come back later and revise it. Try making yourself write or draw every day in your notebook, even if you don't think you have any new ideas. In the long run, making a habit of working some in your notebook every day will lead to more creativity.

### How to Have Creative Ideas: 15 Steps (with Pictures) - wikiHow
