### How to speak English. Speaking is easy with ...

Speak loudly enough for everyone to hear. While you don't want to shout, you should speak loudly enough so that people don't have to ask you to repeat yourself. Speaking quietly or softly will make people think you are shy and that you don't have confidence in what you're saying -- that you don't really want to be heard anyway.

English uses stresses in words and sentences. That means when you speak English you'll need to stress, or emphasize, certain words and syllables (sounds) to give words and sentences different meanings. Listen to where native speakers place the emphasis when they speak. Try to repeat it the same way to improve English stress in your own speech.
