This may be a question on a job application, too. Applicants are often asked what date they are available to start work if they were to be hired. The most common time frame for starting a new position is two weeks after you have accepted the job offer. That's because companies assume you will offer two weeks' notice to your current

a large ring gear on the flywheel via a pinion gear. The starter turns the flywheel as the key is turned, then when the engine 'fires', and the key is released the starter disengages from the flywheel. In cars fitted with Stop-Start the technology and components are basically the same - but are designed to be a lot more robust, powerful, and fast
