Htc 7 Trophy Smartphone User

As HTC 7 Trophy is running on WP7, there's nothing much that differentiates it from other WP7 phones except its hardware. Hardware wise, the Trophy is great, just like many HTC phones. The only disadvantage in terms of hardware is the camera and battery life. The 5 megapixel shooter is just standard and so is its features.

HTC Radar - pocket-lint.com

The HTC Trophy is one of my favorite windows 7 phones that has ever been released. The phone has around 13GB of actual internal storage which will be more than enough for your average user. The 5MP camera is actually pretty nice and the phone has a camera button which you really dont see anymore on your newer phones.
