• Purpose of human relations is to help in working more effectively with other people in organizations. • Production increases with a better social climate. • Customer relations endeavors to promote, and increase the contact between the business and the individuals in the community.

**Download Human Relations in Organizations 9th Edition ...**

Human Relations is not an organizational behavior; rather, it provides a good baseline of issues students will deal with in their careers on a day-to-day basis. It is also not a professional communications, business English, or professionalism textbook, as its focus is much broader — on general career success and how to effectively maneuver in the workplace.

For Organizational Behavior and Human Relations courses. Understanding how people behave in organizations is an essential element to being part of an organization on any level. The Human Side of Organizations is designed to prepare students for what lies within organizations, thus avoiding "reality shock." Clearly written with real-life, rather than theoretical aspects, the text provides students with a complete analysis of behavior.
