human beings. They help good people to fight the bad. To a child, these animals seem real: the naughty mouse, fast hare, slow tortoise, talkative horse ...

If Animals Could Talk

We make animals work already and we can't talk to them. Take for instance horses, donkeys, mules, dogs... The key here is training: we can't speak the animal's language, and they can't speak ours, but we can teach them that certain behaviors are associated with certain sounds and certain rewards/punishments.
