StudySoup Interview Questions | Glassdoor

Why they choose to interview someone and ask them questions they clearly do not have any knowledge of is something I do not understand. I almost felt insulted that I had to sit through 30 minutes of stumbling to answer questions my resume clearly shows I wouldn't know the answer to.

Top 14 Job Interview Questions and Answers Examples ...

There's no one right answer (although there may be some wrong ones!). Simply answer honestly. If you have faced a similar situation in real life, feel free to explain what happened and how well your solution worked. These types of questions are called behavioral interview questions and are designed to see how you would react in a certain situation.
