Intown Living A Different American

In Intown Living, authors Ann Breen and Dick Rigby document this movement, arguing that if properly nurtured, it could help slow current patterns of sprawling development and help revitalize America's cities. They illustrate the many benefits of city living and offer strategies and encouragement for public officials and private developers to team up and expand central city housing opportunities.

American culture tends to be more informal than other countries. It's common for Americans to wear casual clothing to school and isn't uncommon to call supervisors by their first name. But good manners and politeness are always appropriate, and if you're more formal than your American friends then at least you'll be memorable.
