## M7310 User Guide - Tandem Data

For incoming and tandem calls, this field contains the trunk access code in standard formats. The fifth digit is the first digit of a 5-digit dialing plan. In formats where the field is less than 7 digits, this also shows the trunk access code of the incoming call. This field shows the calling party number in Unformatted or Expanded records.

Manager 5.2- Avaya IP Office  
Avaya IP Office in a Data-Centre or  
virtualized? by Austin Grey. on ... We're  
looking at possibly moving to Avaya IP  
Office but just wanted to check, does it  
have to be deployed on site only? I know  
with some systems you could put them  
in a data centre, but not sure how IP  
Office works in terms of remote users, as  
technically everyone would be ...
