~~"Keep on Running: The Highs and Lows of a Marathon Addict" by Phil Hewitt One of my early jobs in publishing involved reading the 'slush pile'. This is the stack of (mostly) dross sent uninvited to publishers by members of the public who think they're the next Tolkein or Ian McEwan.~~

~~The book covers the high's and low's of Phil, who takes up Marathon running. I have run a couple of Marathon's myself, and the early chapters struck several chords with me. He provides some good descriptions of most of the 25 (ish) marathons he has run, to such an extent that I am interested in a few of them, and put off a few of them.~~

Keep on Running gives you an honest and intimate insight into the discipline and determination needed to run a marathon. It also gives you a unique view of Europe through the eyes of the runner. I found parts of the book very funny, especially Phil's motivation for running: his uncaring P.E. teacher.
