The Serial Number Guide is the leading source for year-of-manufacture data on all major and hard-to-find construction equipment.

~~Komatsu Excavators Serial Number Guide~~

The easiest way to find your Komatsu forklift's serial number is to check the forklift's nameplate (also called a data tag). This helpful label displays various details about your truck, like its model, its weight, how much it can lift, and more. Most importantly, though, a forklift's nameplate also displays its serial number.
