Law And Morality At War

Law and Morality at War develops a normative framework within which the law of armed conflict should be evaluated, interpreted, and reformed. The book defends existing protections for civilians, proposes new protections for combatants, and interprets vague and ambiguous rules - including discrimination, precautions, and proportionality - in their morally best light.

Law and Morality at War (Oxford Legal Philosophy): Haque ...

Law and Morality at War develops a normative framework within which the law of armed conflict should be evaluated, interpreted, and reformed. The book defends existing protections for civilians, proposes new protections for combatants, and interprets vague and ambiguous rules - including discrimination, precautions, and proportionality - in their morally best light.

Law and Morality at War - Hardcover - Adil Ahmad Haque ...

This book integrates legal analysis and moral philosophy. It seeks to defend, interpret, implement, and reform the law of armed conflict. It argues that the law of armed conflict should provide combatants with moral guidance, helping them to conform to their moral obligations as closely as possible. It presents the law of armed conflict as prohibitive rather than permissive, conferring limited immunities rather than broad privileges, and applying alongside human rights law as well as ...

Law and Morality at War - Oxford Scholarship

These are the questions that Law and Morality at War answers, contributing to a cutting-edge international debate. Drawing on the concepts and methods of contemporary moral and legal philosophy, the book develops a normative framework within which the laws of war and international criminal law can be evaluated, criticized, and reformed.

[PDF] law and morality at war eBook

"Few scholars have contributed as much to recent debates about the ethics of war as Haque, and Law and Morality at War continues in this fine tradition, touching on everything from the principle of proportionality to the targeting of human shields. Straddling the moral and legal divide, Haque succeeds in correcting the misperceptions that many moral philosophers have about the law, including the presumption that it permits combatants to fight for an unjust cause when it really only immunises ...

Law and Morality at War (Oxford Legal Philosophy) - Kindle ...

This paper explores the relationship between the morality of war and the law of war. The focus is on permissible conduct in war, specifically the principle of noncombatant immunity, which confines belligerents to targeting only military objectives (see article 48 of the first Additional Protocol (API) to the Geneva Conventions, Roberts and Guelff 2000: 447), and the legal equality of combatants, which grants soldiers the same permissions and holds them to the same prohibitions irrespective ...

The Morality and Law of War

These are the questions that Law and Morality at War answers, contributing to a cutting-edge international debate. Drawing on the concepts and methods of contemporary moral and legal philosophy, the book develops a normative framework within which the laws of war and international criminal law can be evaluated, criticized, and reformed.

Read Download Law And Morality At War Oxford Legal ...

Adil Ahmad Haque's book Law and morality at war avoids both common pitfalls and showcases interdisciplinary scholarship at its best. Starting out with a remarkably concise explanation of key legal and philosophical terms, the author's philosophical arguments push the boundaries of an active debate on the moral permissibility of killing in war.

Law and morality at war | International Affairs | Oxford ...

Adil Ahmad Haque's Law and Morality at War is a significant moment in the contemporary debate on just-war theory on the morality of law. It offers an elegant 'third way' between the traditional account of IHL as reflective of morality and the revisionist account of IHL as directly contradicting fundamental moral concepts - a system that is only defensible, at best, as a pragmatic concession.

Buy Law and Morality at War (Oxford Legal Philosophy) Book ...

I propose an instrumentalist account of the laws of war, according to which the laws of war should help soldiers conform to the morality of war. The instrumentalist account supports Waldron's conclusion that the laws of war justifiably prohibit attacks on civilians even if it turns out that some civilians lack a moral right not to be killed.

Law and Morality at War by Adil Ahmad Haque :: SSRN

Law and Morality at War develops a normative framework within which the law of armed conflict should be evaluated, interpreted, and reformed. The book defends existing protections for civilians, proposes new protections for combatants, and interprets vague and ambiguous rules - including discrimination, precautions, and proportionality - in their morally best light.

Law And Morality At War Oxford Legal Philosophy PDF

Law and Morality at War combines philosophical sophistication with a deep knowledge of the law, and that makes it uniquely valuable. In the past decade, philosophers have subjected the so-called "just war theory" to searching examination, with results that are sometimes startling.

Law and Morality at War: Haque, Professor of Law and Judge ...

Law and Morality at War Law and Morality at War Haque, Adil 2012-06-30 00:00:00 Through a critical engagement with Jeremy Waldron's work, as well as the work of other writers, I offer an account of the relative scope of the morality of war, the laws of war, and war crimes. I propose an instrumentalist account of the laws of war, according to which the laws of war should help soldiers conform ...

Law and Morality at War, Criminal Law and Philosophy | 10 ...

Drawing on the concepts and methods of contemporary moral and legal philosophy, the book develops a normative framework within which the laws of war and international criminal law can be evaluated, criticized, and reformed. 0While several philosophical works critically examine the moral status of civilians and combatants, this book fills a gap, offering both an account of the laws of war and war crimes, and proposing how the law could be improved from a moral point of view.

Law and morality at war. (eBook, 2015) [WorldCat.org]

The law of war is prohibitive, not permissive. The law of war does not confer symmetrical legal permissions but instead imposes symmetrical legal prohibitions and grants symmetrical legal immunities. The law of war applies alongside other legal and moral norms, including human rights law.
